

**You've got great IT skills,  
just like many others.  
Now multiply your chances  
of getting noticed.**

## **U21Global** redefining education and learning.

In an industry where technical brilliance is a given, having the right management skills will set you apart and prepare you for leadership.

The **Master of Management in Information Technology (MMIT)** from U21Global imparts world-class strategic and management skills, thereby making every IT challenge easier, bringing every opportunity closer. Little wonder that leading companies like A.P. Moller Singapore (MAERSK), Citibank, Frontline Technologies, Satyam Computer Services, Starhub, Tata Consultancy Services and Wipro have partnered with U21Global to prepare their future leaders.
